**Lots of enthusiasm!**

Please note: Children are welcome at this event but it is the responsibility of parents to make sure your children are well monitored at all times especially when helping wash and handle the guinea pigs.

ACS 'THE BIG WASH' day will begin with a group meet up with an introduction and bath demo run by ACS Founder 'Jessica' and a couple of regular volunteers. Everyone will then be divided into smaller wash groups run by team leaders. Once the wash has finished for the day everyone can sit down to an enjoyable lunch down at the lane's private park ( with playground ) and of course keeping with tradition we will have a group photo of the wash team to finish off the day! All ages are welcome! Don't miss out on this fantastic uniquely created by the Australian Cavy Sanctuary to educate and enjoy.
